HiveBoard - Billing and Refund Policy

1. Plans and pricing

HiveBoard has three plans: Basic costs Rs 499 per month, Pro costs Rs 999 per month and Business costs Rs 2499 per month.

Annual plans are available for all tiers and cost 10 months of the monthly price (Business annual is Rs 24990).

All prices are exclusive of 18 percent GST. An invoice is emailed after every successful payment.

2. Billing cycle and renewal

Your billing cycle starts on the day you subscribe. Plans renew automatically at the end of each cycle.

Cancellation takes effect at the end of the current cycle. You keep access until then, and no partial month is refunded.

3. Failed payments

If a payment fails we retry it 3 times over 5 days. If all retries fail the account is suspended.

A suspended account is restored immediately once the payment is completed. Data is kept for 30 days.

4. Refund policy

Monthly plans: a full refund is available within 7 days of the first purchase. After 7 days no refund is given.

Annual plans: a full refund is available within 14 days of purchase. After 14 days no refund is given.

Duplicate or accidental double charges are refunded in full at any time, no matter how old.

Refunds above Rs 2000 need manager approval before they are processed.
